WHAT IS AN ENGAGED ENCOUNTER?

Engaged Encounter is an investment in the future—a weekend experience in which an atmosphere is created that enables each couple to concentrate exclusively on one another while free of the pressures and interruptions of daily life. However, this weekend is not a recreational retreat. It is a program designed to give each couple an opportunity to discuss honestly with each other, in a face-to-face manner, their strengths and weaknesses, desires, ambitions, goals, their attitudes about money, sex, children, family, and their role in the church and society.

WHAT HAPPENS ON THE WEEKEND?

Through a series of ideas presented by a team of married couples and a priest, the couples are stimulated to dialogue privately on all aspects of married life, always from the viewpoint of their own relationship. Couples are given the opportunity to question, examine, and deepen their relationship with each other. Through a series of writing and sharing exercises, the couple is challenged to explore many aspects of their relationship in a much deeper, more honest way than they may have before. Personal reflection and dialogue are the main emphasis of the weekend with the exception of meals and a few group activities which are interspersed throughout the weekend.

DOES THE COUPLE HAVE TO BE CATHOLIC?

Although the weekend is designed for couples planning to be married in the Catholic Church, it is open to all couples of any faith, and is based on the Catholic belief that marriage is between a man and a woman. It has been found to be both beneficial and supporting of couples from differing faiths and backgrounds.

IS THERE AN IDEAL TIME TO ATTEND?

It is recommended that you make your weekend six months to one year before your wedding date, and certainly no less than two months prior. Since each weekend can accommodate only 25-30 couples, it is very important to send your registration forms as soon as possible. Weekends fill up quickly and registration is strictly on a 1st come 1st served basis. Your best chance to get the weekend you want is to register online at www.eesanjose.org.

WHY SHOULD WE ATTEND?

The Engaged Encounter weekend is a time for the two of you to concentrate on each other and to grow in love. It is a time for sharing self and discovering even more of the beauty of the other, and it is a time to begin making your own decisions about your life together.

OTHER COUPLES HAVE SAID...

“ Even though my fiancé and I had talked about many of the topics presented on the weekend, we learned we can go much deeper and discover more about each other. ”
